

BEFORE  
THE PUBLIC SERVICE COMMISSION OF  
SOUTH CAROLINA  
DOCKET NO. 93-138-C - ORDER NO. 93-449✓  
MAY 19, 1993

IN RE: Request of Corporate Telemanagement     ) ORDER APPROVING  
Group, Inc. for Approval of Revisions     ) REVISIONS TO  
to its Tariff (Ref. Tariff No. 93-16).     ) TARIFF

This matter is before the Public Service Commission of South Carolina (the Commission) on Corporate Telemanagement Group, Inc.'s (Telemanagement's or the Company's) request for approval of revisions to its Tariff No. 1 to introduce Operator Services, Dedicated Lease Line Service, and a Telemanagement Gold Card. Pursuant to the instructions of the Commission's Executive Director, Telemanagement published a notice of its proposed tariff revisions in newspapers of general circulation in South Carolina. Southern Bell Telephone and Telegraph Company (Southern Bell) and the Consumer Advocate for the State of South Carolina (the Consumer Advocate) filed Petitions to Intervene. Southern Bell has withdrawn its petition. The Consumer Advocate filed a letter with the Commission stating that, after review of the pre-filed testimony of the Company which stated that the Company will neither pursue Offering Operator Services to pay phones and hotels nor bill property imposed fees, the service offerings proposed by Telemanagement are reasonable and that his office no longer wished

to participate in a hearing on the matter.

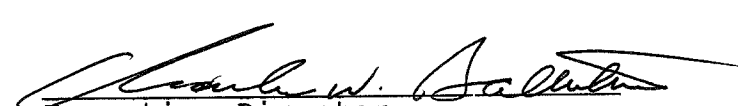

Upon review of the application, proposed tariff, and petitions of Southern Bell and the Consumer Advocate, the Commission finds and concludes that Telemanagement's proposed tariff revisions should be and are hereby approved. The Commission directs the Docket in this matter to be closed.

IT IS SO ORDERED.

BY ORDER OF THE COMMISSION:

  
Chairman

ATTEST:

  
Executive Director
